

The FlameShield Indoor Showcase is the stylish and professional way to display children's work or other material and impress your visitors.

The showcase features 'gas strut' assisted door opening for ease of use and hassle free changing of information. Hinged and double locking door features fire rated and virtually shatterproof polycarbonate glazing. The noticeboard core and bonded textile are fully fire retardant and are tested as a composite to Class 0 and comply with BSEN13501: 2002.

Available in 5 frame finishes: - Blue, Red, Green, White or Anodised Aluminium.

Available in 4 Notice Board Colours:- Blue, Red, Grey, Green

Choose any combination of frame and board colour.

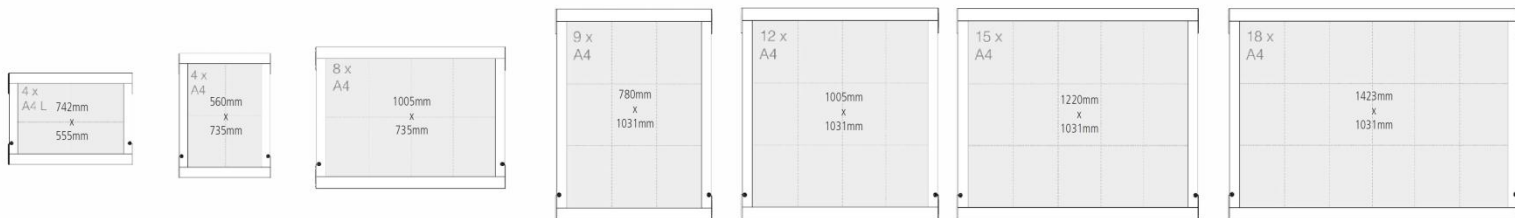

Twin security push locks

Full 90° open angle for easy access

Class (0) felt cover and substrate

Replace *** in part number with felt colour letters
