£2.7k RAISED FOR CHARITY

Now the dust has settled, and the donations have been updated, we wanted to say a massive thank you to head sponsors Hikvision for the contribution towards our latest fundraising initiative. Congratulations again to Tom & Peter for taking on the Jurassic Coast Ultra Challenge raising a combined total of £2730 for 2 incredible charities, **Bowel Cancer UK & Cancer Research UK.**

ROCHE PLANT 2000 MORE TREES ON BEHALF OF OUR KEY ACCOUNTS!

As we celebrate 51 years at the forefront of AV, we are delighted to confirm that we have arranged the planting of a further 2,000 trees on behalf of our key accounts.

This initiative, launched last year, highlights our **continued dedication to environmental sustainability.** These actions align with our broader environmental policies that emphasise **reducing our carbon footprint, minimising waste, and promoting sustainable practices** across all our operations.

By working alongside us, you not only receive industry-leading audio visual solutions but also **contribute to a greener, more sustainable future.**

ROCHE RENEW SPONSORSHIP FOR THE NEW SEASON!

We are extremely pleased to announce we are continuing our long running sponsorship of Hetton Girls (U15s) for the 2024/25 season.

"It really does make a huge difference to grass roots football having support from companies like Roche AV. We strive to provide the best opportunities for the girls in a time in their life when routine, friendships, health, and stability are really important. I can proudly say that we have managed to provide great experiences, and that couldn't be done without everyone supporting them. We value the support from good corporate citizens like Roche AV and its evident that social responsibility is a core value within your organisation."

Coming off the back of a fantastic 2023/24 campaign - finishing 2nd in the league and winning their first tournament - the girls are aiming to go one better and win the league in the 2024/25 season. #TeamRoche wish the girls all the best for the new season!

#TeamRoche are always on the lookout for new challenges, partners & initiatives. Please feel free to share any suggestions by emailing our Managing Director & Head of Charity Initiatives, Peter Midgley, at pmidgley@rocheav.co.uk.
